Volunteers of America Chesapeake, Inc., is a church without walls whose mission is to inspire self-reliance, dignity, and hope through health and human services.

Founded in 1896 in Baltimore, MD, Volunteers of America Chesapeake was one of the first branches of the national faith-based nonprofit, Volunteers of America.

Through a dedicated and committed team of management, staff, and volunteers- and guided by our Core Values: Caring, Respect, Faith, Quality, and Trust - Volunteers of America Chesapeake helps thousands of people each year throughout Maryland, Virginia, and the District of Columbia at our more than 30 programs serving:

- The homeless
- Veterans
- Individuals with mental illness
- Individuals with intellectual disabilities
- Those in need of affordable housing
- Those in need of supportive services
- Those recovering from substance abuse addictions
- Those involved in community corrections
FROM THE PRESIDENT

Dear valued supporters,

I am pleased to share these highlights from Fiscal Year 2016 that demonstrate how your investment in Volunteers of America Chesapeake, Inc., has helped us make an impact in our region.

In Howard County, MD, our team is constructing a 35-unit apartment building with a community room and service center for the chronically homeless. Through non-profit partnerships, we will provide supportive services, case management, and housing for the county’s low-wage earners in a program that helps men and women regain their financial independence and housing stability.

Our veterans programming continues to expand, allowing us to serve more veterans and their families in Virginia through a grant received from the Department of Veterans Affairs. By serving more than 200 of our nation’s heroes as they return from Iraq and Afghanistan, our program team is helping our veterans secure stable, affordable housing so they can focus on finding jobs, services, and educational opportunities.

Volunteers of America Chesapeake, Inc., continues to divert and prevent men, women, and children from becoming homeless through grants and private contributions from funders and donors like you. In 2016, we housed more than 1,100 individuals through our talented case management services.

After release from federal prison, more than 650 returning citizens reentered society through our Residential Reentry Center. They received support in their transition to find jobs, housing, and community-based services. Community corrections programs are statistically reducing recidivism and strengthening individuals and families in many communities nationwide. Volunteers of America Chesapeake has operated our successful program for more than 35 years.

Individuals with intellectual or developmental disabilities (I/DD) are graduating from our group homes and moving into apartments thanks to the highly skilled training and care of our talented case management and residential support staff. In the Hampton Roads/ Virginia Beach peninsula, we are expanding our presence in the I/DD community and will open group homes for adult men and women in the next fiscal year.

In Prince Georges County and Baltimore City, more than 200 individuals that are behaviorally-challenged live and work in their communities. Our structured group home environment and independent apartment living allow these citizens to develop self-sufficiency, access necessary services, and receive care from our dedicated team of direct support professionals.

All these accomplishments in FY16 are gifts from God. Our ministry of service to those who need our help receive love, compassion, and professional support as they rebuild their lives, rekindle relationships, and find needed treatment or counseling. As a Christian “church without walls,” we are demonstrating that God’s children are all beloved and their healing and hope is a direct result of our faith.

We thank you from the bottom of our hearts for your support and gifts this year. Volunteers of America Chesapeake, Inc., has exciting endeavors to come in FY17. Follow-us on Facebook, Twitter, our blog, or on our website: www.voaches.org, to stay up-to-date on our efforts to inspire hope for our region’s most vulnerable individuals.

Peace,

Russell K. Snyder, President/CEO
FROM THE CHAPLAIN

“...let us not love with words or speech, but with actions and in truth.” 1 John 3:18 (NIV)

Volunteers of America Chesapeake, is a church without walls, committed to the transformation of the lives of our most vulnerable neighbors.

At Volunteers of America Chesapeake, I like to think of our lives and the work that we do as ‘living prayer’ (prayer in action), for prayer is action! When we pray about something, we are asking or thanking God. Frequently we are praying for God to guide our action, help with a challenge, act on our request, and/or thank Him. In all our doing, we strive to do it with God as we stand in our faith.

We know that action changes things; praying is action. As we pray, we help create environments that encourage self-reliance and hope for America’s most vulnerable. When we pray:

- We pray standing in our Faith – our foundation. Our belief in, trust in, and loyalty to God
- We pray to function as One Body – to function as one family working together with unity and respect for God’s children.
- We pray for spirits of Compassion and Love – spirits with genuine concern, kindness, and selfless devotion toward each other and those we serve.

Through prayer and our efforts, we can achieve what may seem unattainable to most, but we know all things are possible with God. We encourage self-reliance and hope as we help: the homeless, in need of permanent homes, transitional housing, or safe shelters; veterans in need of homes, jobs, and continuing education; those ready to re-enter society with jobs, housing, skills, and support to be a contributing resident of communities; individuals with intellectual or developmental disabilities; and those behaviorally challenged to live and work in their communities.

Please consider supporting Volunteers of America Chesapeake to help others transform their lives as you transform your life into a living prayer.

Rev. Sandra Trice Gray, Chaplain
OUR IMPACT

OUR FOOTPRINT IS LARGE.
Volunteers of America Chesapeake (VOAC) serves Virginia, Maryland, and the District of Columbia, ensuring more than 4,000 people have access to vital health and human services, housing, and support during their time of need.

WE TOUCH COMMUNITIES.
Our 30 programs and facilities touch all communities in the D.C., MD, and Northern Virginia areas.

CLIENTS AND PARTNERS BENEFIT.
VOAC is passionate about developing strategic partnerships that add value to our services and benefit our clients. We aggressively vet and embrace partnerships that allow us to multiply our impact. VOAC along with its more than 50 partners helped more than 4,000 people in 2016. This allowed us to increase our impact more than 10 times over what we could do alone.

WE EMBRACE OUR FAITH-BASED MISSION.
As a faith-based organization, ministry is at the heart of our work. Faith drives us as we help our clients transform their lives. And our “church without walls” has helped each community we touch become stronger.

INTERNATIONALLY ACCREDITED PROGRAMS
Our health and human services programs are accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF), which analyzes service providers for quality, individualized support, current and field-driven standards, as well as outcomes measurement.

GARY, 61
FORMER RESIDENT OF VOAC’S RESIDENTIAL RE-ENTRY CENTER

Gary spent seven years in federal prison for a financial crime. The father and husband says VOAC’s Residential Re-Entry Center put him on a “path to a better life.”

“When my family and I pulled up in front of the Volunteers of America Chesapeake, I looked at the place and I had zero expectations, but I couldn’t believe I was so well-received.”
OUR PROGRAMS

SUPPORTIVE HOUSING

Volunteers of America Chesapeake provides safe, affordable homes to formerly homeless and low-income families throughout Maryland, Washington DC, and Virginia. Our programs are built on the concept that everyone deserves a safe and secure place to call home. We not only serve individuals in communities that need us the most, we provide the support they need to become self-reliant. Home is not just a physical structure, it is a place where love and support helps people reach their full potential regardless of their financial circumstance, disability, or cultural background. Volunteers of America Chesapeake’s holistic approach to delivering services inspires hope and helps people reach their full potential.

In FY 2016, we began renovations of our Pratt Street Transitional Housing facility in Baltimore, MD. The $100,000 upgrade was made possible through support from the TD Bank Charitable Foundation. Thirty-five families and nearly 100 children live in the Pratt House apartments and receive case management, mental health counseling, and referrals to various services.

See ‘before and after’ video of the Pratt House renovations on our blog: voachesapeakeblog.com.

“When you’re suffering from homelessness, you are typically facing emotional tides and other battles. It’s not just a matter of having a roof over your head, but it’s about receiving the love and support to keep it in place. That’s what we strive to provide.”

—Christine Strohecker
Program Director for VOAC’s Maryland Supportive Housing Services
Our homeless programs served 2,134 individuals, in 2016.

We distributed backpacks filled with school supplies to homeless and low-income children throughout Maryland, Washington DC, and Virginia.

In partnership with Arlington County, Va., the VOAC Homeless Diversion and Prevention Program helped 900 people avoid homelessness through emergency services.

Both unique and comprehensive, the Homeless Services Center in Loudoun incorporates a drop-in center, emergency homeless shelter, cold weather shelter, and permanent housing program.

To address the transportation needs of Loudoun County’s homeless and working class, we launched the Hope’s Chariot Transportation Program, which works with various public agencies to expand transportation support and strategize infrastructure upgrades county-wide.

The VOAC Residential Re-Entry Center in Baltimore, MD., is one of the largest in the United States serving federal offenders and the only federal re-entry facility in the state of Maryland. We provide residential, educational, employment, and life skills services to help formerly incarcerated individuals transition from prison to productive lives in their communities. As needed, individuals participate in substance abuse education as well as cognitive behavioral and spiritual enhancement programs.

BEHAVIORAL HEALTH

Since 1991, our behavioral health programs have provided individualized psychiatric and residential rehabilitation services to adults with mental illnesses.

The highly-skilled nurses and specially-trained direct support staff who work in our community-based living homes, encourage our clients to reach their highest level of independence.

INTELLECTUAL DISABILITIES

Our community living centers provide safe, supportive housing for people with intellectual and developmental disabilities to develop life skills and self-sufficiency.

The Northern Virginia I/DD Services includes a group of homes and apartments that provide residential support to adults with intellectual disabilities. Staff members work closely with the individual, their families, and community providers to create and implement individualized plans.

SUBSTANCE ABUSE

Our Residential Program Center (RPC) in Arlington, Va., offers non-medical detoxification, substance abuse recovery, and homeless services for single adults, all under one roof. The substance abuse programs feature medication management; counseling; therapy; and classes on effective communication, anger management, and relationships. Three-hour sessions are provided five days a week.

RPC received more than $60,000 in grants in 2016. Blue Cross BlueShield, Bank of America, and the Washington Forrest Foundation provided needed resources to expand our homeless diversion program in Loudoun County and voluntary acupuncture treatments for substance abusers undergoing detoxification.

The Supportive Services for Veteran Families program provides vital resources for veterans and their families who are homeless or on the verge of homelessness. Our primary goal is to transition these servicemen and women to permanent housing. We offer a range of services to promote housing stability, including case management, transportation to jobs, crisis intervention, mental health referrals, and income support.

In FY 2016, we expanded our veterans program from Northern Virginia to 23 additional counties and cities in the Northwestern and Southwestern parts of the state, including Bristol, Fredericksburg, Harrisonburg, Winchester, and Norton. With funding support from the U.S. Department of Veterans Affairs, we will be able to provide temporary rental assistance, security deposits, utility payments, and transportation support for veterans who need extra resources to achieve housing stability.

WHAT’S NEXT

LEOLA DORSEY CENTER

Our permanent supportive housing facility—named after the local civil rights activist Leola Dorsey—is scheduled to open in 2017.

The Leola Dorsey Center will be the first of its kind in Howard County, featuring feature 35 units of permanent housing for the chronically homeless.

The center will serve as a “one-stop shop” for homeless men, women, and children to receive services on their quest to self-reliance. Some of Howard County’s most vulnerable people will gain access to the center as a mailing address, place to shower, computer lab, source for medical exams, opportunity for counseling, and laundry facility.

VERTICAL FARMING & COMMUNITY CORRECTIONS

We have teamed up with CBO Financial Inc. to develop a $6 million indoor urban farm in East Baltimore, MD, as part of a new program to give workforce training to ex-offenders.

We will renovate a 25,000-square foot space in our Residential Re-Entry Center to house the vertical farm with Future Farms. The vertical farm will use LED lights to grow produce such as lettuce, basil, and cilantro on vertically-stacked shelves.

“...The job training and jobs created by this social enterprise will allow former offenders in our facility gain a skill that can be applied in the workplace once they successfully graduate from our program. VOAC is all about empowering individuals who have struggled in life to be independent and inspire hope in a new direction with their lives.”

—Russell K. Snyder
President and CEO of Volunteers of America Chesapeake
At VOAC, vulnerable adults and families receive services in seven program areas: mental health, homelessness, community corrections, intellectual disabilities, veterans’ services, substance abuse, and supportive housing.

Volunteers of America Chesapeake continues to seek partners and supporters to expand our reach as we empower the region’s most vulnerable individuals.
We raised $120,000 at the seventh annual Harvest for Hope Breakfast. The event brought together more than 200 business leaders and community members to raise funds and awareness of the housing services Volunteers of America Chesapeake provides in Northern Virginia.
DONATE

Your financial contributions are vital to our continued ability to deliver services and support to our most vulnerable neighbors. You can support Volunteers of America Chesapeake by doing any of the following:

CASH DONATIONS

Either as a one-time lump sum, annual commitment, quarterly deposit, or monthly automatic donation. Donate online by visiting voachesapeake.org/donate.

GIFT OF STOCK

To make a gift of stock, notify your broker and contact our office. For further information about a gift of appreciated securities, contact James Wynn at jwynn@voaches.org or 301-459-2020.

VEHICLE DONATION

When you donate a car to us, 85% of the proceeds directly benefit our vulnerable clients. For more information, call 877-721-4862 (toll free).

OPERATION BACKPACK

Since it was introduced nine years ago, Operation Backpack has outfitted more than 30,000 boys and girls, with new, fully-stocked, grade-specific backpacks in time for the start of the school year.

To support Operation Backpack, visit www.voachesapeake.org/backpack.

“We have been able to see and interact with the people we are helping and it motivates our company to continue working alongside the VOA team. The highest point of our partnership has been our Kettler Holiday Heroes project. Partnering with VOA helped us gain access to nearly 120 families.”

-- Todd Bowen, Kettler

“In our partnership with Volunteers of America Chesapeake, my colleagues and I have felt very rewarded by the chance to meet and work with real people who are actively improving life in our community. Every time we meet, we all come away with a feeling of happiness and renewed purpose, more deeply connected to each other and the world around us. I think our partnership with VOA has actually made us better people and more bonded as a team. I can only hope we’ve been able to give them some of our gratitude in return!”
