

Hello,

Thank you for choosing Volunteers of America Chesapeake and Carolinas as the organization to conduct your internship towards completion of your degree and/or professional licensure or for your volunteerism.

It is humbling to know that we are part of your plan in helping you reach such a goal and/or donate your time.

If you have not already been contacted by your internship supervisor (Your Program Contact) or your Educational Institution, or our Community Outreach Coordinator, Christle Baker Gill, this notice is to advise you that VOACC, has suspended all internships and volunteer opportunities until April 30, 2020.

Our senior executive team has chosen to exercise measures of caution for a period of time for the health and well-being of all staff, interns, volunteers and consumers.

Thank you for your understanding at this time and please continue to practice the Centers for Disease Control and Prevention (CDC) recommendations:

1. Practice Social Distance
2. Washing Hands, Covering Coughs, Sneezing
3. Self-Isolation if you feel you may be at risk.
4. Contact your doctor for assistance and direction.

Blessings,

George Lino  
Vice President, Human Resources and Administration
