

MedLion Clinic is a unique Virtual Primary & Chronic Care Clinic service that offers unlimited video and phone visits with a dedicated Primary Care Physician (PCP). This benefit is offered to Volunteers of America Chesapeake MD, DC, and VA Part-time employees scheduled 20 to 29 hours per week. The benefit premium is paid by Volunteers of America Chesapeake.

Note: **This benefit plan is NOT intended to replace medical insurance.** This plan can eliminate some out of pocket costs for office and urgent care co-pays, and allows access to medical care from the convenience of your home, or while traveling away from home.
