# SUPPLY DRIVE REGISTRATION PACKAGE

## THANK YOU!

By hosting an Operation Backpack supply bin you let homeless and low-income children know that you are Called to Care™!

### Getting Started:

The Volunteers of America Chesapeake Development & Communications Team leads the Operation Backpack initiative. You can contact any member of the team with questions regarding your campaign.

### What Your Commitment Means:

Your commitment of \$500 and one full supply bin could support a classroom of homeless and low income children. Financial support helps us cover funding gaps in tutoring, homeless services, supportive services for Veterans Families, and affordable housing resources.

### Tips to Help Meet the Commitment:

Engaging employees, parishioners, group members and volunteers is the core of a successful Operation Backpack Campaign.

## Here are some successful campaign ideas:

### Host a contest for a Free VOAC T-shirt!

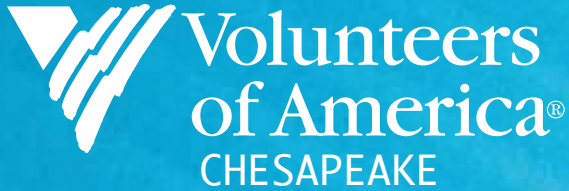

### Other Creative Ideas Include:

- Donation for a chance to wear Jeans on a Wednesday (or day of your choice)
- Donation for a chance to win a free lunch

### Need More Ideas?

Contact a member of our Development & Communications Team for assistance in customizing an Operation Backpack campaign that aligns with your organization.
